

## 2019 WCSG Alberta Rowing Team

The 2019 WCSG Team has been selected. The selection process this year was extremely difficult demonstrating the improvements that have been made within our sport over the past decade. The ARA wants to thank the ongoing efforts of our coaches, and the clubs across the province who oversee the development of these exceptional athletes on a day to day basis.

This year's WCSG consists of athletes from Calgary and Edmonton. In addition, for the first time in the history of the games an athlete from Fort McMurray will represent Alberta Rowing on the WCSG Team which we attribute to the legacy created from the 2015 WCSG in Wood Buffalo, Alberta.
